REPORTING REQUIREMENTS

CANDIDATES:

A candidate for a judicial district office is required by law to file a statement of contributions, known as a Campaign Contribution Statement (SFN 58687).

The statement must include the name and mailing address of all contributors who made contributions in excess of \$200 in the aggregate during the reporting period, the aggregated amount of the contributions from each listed contributor, and the date the most recent contribution was received from each listed contributor. Candidates are also required to report total cash on hand in the filer's account at the start and close of a reporting period and the gross total of all contributions received of \$200 or less.

A candidate seeking or currently holding a judicial office that has not received a contribution in excess of \$200 during the reporting period, still must file a statement, as required by Chapter 16.1-08.1 of the North Dakota Century Code, indicating that no reportable contributions were received. The boxes "No reportable contributions for reporting period" and "No reportable contributions since last report filed" are provided on Schedule #1 for this purpose.

TYPES OF REPORTABLE CONTRIBUTIONS:

A gift, transfer, conveyance, provision, receipt, subscription, loan, advance, deposit of money, or anything of value, made for the purpose of influencing the nomination for election, or election, of any person to public office or aiding or opposing the circulation or passage of a statewide initiative or referendum petition or measure.

The term also means a contract, promise, or agreement, express or implied, whether or not legally enforceable, to make a contribution for any of the above purposes.

The term includes funds received by a candidate for public office or a political party or committee, which are transferred or signed over to that candidate, party, or committee from another candidate, party, or political committee or other source.

The term "anything of value" includes any good or service of more than a nominal value. The term "nominal value" means the cost, price, or worth of the good or service is trivial, token, or of no appreciable value. The term "contribution" does not include:

1. A loan of money from a bank or other lending institution made in the regular course of business.
2. Time spent by volunteer campaign or political party workers.
3. Money spent by a candidate on the candidate's own behalf.
4. Money or anything of value received for commercial transactions, including rents, advertising, or sponsorships made as a part of a fair market value bargained-for exchange.
5. Money or anything of value received by a candidate in that person's personal capacity, including pursuant to a contract or agreement made for personal or private employment purposes, and not received for a political purpose or to influence the performance of that person's official duty.
6. Contributions of products or services for which the actual cost or fair market value are reimbursed by a payment of money.

INSTRUCTIONS FOR CAMPAIGN CONTRIBUTION STATEMENT

SECTION A: Campaign Contribution Statements must include information pertaining to the candidate for contact information purposes. The statement must indicate the name of the person completing the report, daytime telephone number, full name of the candidate, the office the candidate is seeking, or currently holding.

SECTION B: Campaign Contribution Statements must indicate whether the report is a pre-primary, pre-general, pre-special, year-end, 48-hour or amended report.

SECTION C: Enter cash on hand at the start of the reporting period. That would be January 1 of the reporting year or registration date of your committee. Enter cash on hand at end of the reporting period. Enter the gross total of all contributions received of \$200 or less for reporting period. This section does not apply when filing a 48-hour report.

SECTION D: Either the candidate, or person completing the report must certify that the information contained in the report is true, correct, and complete by signing and dating the Campaign Contribution Statement.

Aggregate contributions must reference the date of the most recent contribution. Contributions made separately by different persons from joint accounts are considered separate contributions for reporting purposes.

FILING INSTRUCTIONS: Campaign Contribution Statements are deemed properly filed when deposited with or delivered to the Secretary of State within the prescribed time. A statement that is mailed is deemed properly filed when it is postmarked and directed to the Secretary of State within the prescribed time. If a statement is not received by the Secretary of State, a duplicate of the statement must be promptly filed upon notice by the Secretary of State of its nonreceipt.
